

WAIMEA CANYON BICYCLE DOWNHILL

Pedal. Coast. Marvel.

100% downhill, 100% fun.

An exhilarating bike ride from the rim of the famed Waimea Canyon (elevation 3500') down 13 miles of smooth winding blacktop all of the way to the shore of the blue Pacific. Enjoy the beautiful early morning light over Waimea Canyon – it's spectacular. You won't be snoozin' – you'll be cruisin'. We'll serve steaming Kauai Coffee and fresh blueberry muffins as we ride up in our van. For the afternoon tour's riders, see the sun dip low over Ni'ihau, the Forbidden Island. We serve cold soft drinks, spring water and Kauai Cookies. Our comfortable helmets and operating procedures make for a ride that's safe and controlled, yet still invigorating. We'll be riding through one of the most beautiful and interesting places on the planet, so of course, we'll stop along the way for photos and narrative on history, culture, folklore and legends. We'll get hands-on and identify native plants, trees and birds. As well as having an enjoyable ride in a beautiful place, you'll learn about what makes Kauai special.
