THE NEWEST WATER SPORT CRAZE HITS KAUAI **Outfitters Kauai's Stand Up Paddle Board Tour is the First of its Kind in Hawaii**

Outfitters Kauai—Kauai's innovative adventure tour leader— announces its first full summer of the Kauai Stand Up Paddle (SUP) Board Tour. This tour, which is the first of its kind in Hawaii, delivers "Big Fun in Beautiful Places" via the newest sensation in watersports. The Surftech epoxy boards that are provided are floaty, stable, and fast. This SUP tour is suitable for both the experienced paddler and the first timer— it's a great way to learn a new sport, or share it with friends or family and get turned on to the coolest new thing going. Think walking on water!

Outfitters Kauai's Kauai Stand Up Paddle Board Tour begins with a short lesson around the calm waters of the Hule'ia River. During the tranquil downwind cruise the adventurers can refine their technique while enjoying the spectacular scenery of the Hule'ia National Wildlife Refuge, ringed by the majestic Hau'pu Mountains.

This new tour also includes a one mile hike through the tropical rain forest of Kipu Ranch, where *Raiders of the Lost Ark* and *Jurassic Park* were filmed. This lovely hike leads to the secluded Bamboo Pool, home to the crowd-pleasing WaterZip—a short zip line into a waterfall-fed pool. Lunch is served on the sunny decks above Bamboo Pool. Rather than paddling back to the Outfitters' dock into often brisk tradewinds, an exotic motorized Hawaiian-style canoe

ferries the adventurers back up the river as the SUPs are towed behind it.

It is not often that a new sport causes such a commotion like Stand Up Paddle Boarding has in recent years. This fun activity has exploded onto the scene providing hours of entertainment and fitness to paddlers of all ages and abilities. Now Outfitters Kauai combines this exciting new activity with the splendor and memorable beauty of Kauai. For seasoned and experienced travelers who have zip lined, kayaked and "been there, done that," Stand Up Paddle Boarding is fresh and exciting. For new visitors to Kauai, the SUP tour is a fantastic way to experience Kauai's natural beauty. Outfitters' Kauai Stand Up Paddle Board Tour, open this summer to make unforgettable family memories.
